Volume 8 Issue 2

25th September 2026

It has been a lovely, if busy, start to the new school year. We are delighted to see how well the majority of children have settled into their new classes and routines. They have embraced the start of the year with enthusiasm and confidence, and it has been wonderful to see their happy faces around school. We are looking forward to all the exciting learning, experiences and achievements the year ahead will bring!

Thank you

Thank you to everyone who has attended any of our events over the last few weeks. It has been lovely to meet our new families. We hope you enjoyed meeting your child's class team and having a look around their learning environment. The Restrictive Intervention workshop was a valuable session, which we hope you found informative and useful.

Harvest Festival

On Friday 16th October we will have our Harvest Festival celebration. This year we are supporting Hertford Ware & District food bank. If you wish to send in a long life food item please do so before Thursday 15th October. Please see attached flyer

from Hertford, Ware & District food bank. Due to space restrictions, we are unable to invite the whole school to this event therefore we have restricted this to parents of new pupils and parents of year 6 pupils.

Tales From The Chalkface!

Lower School

Pupils in Lower School continue with their topic 'changes' and have been learning about the changes that we experience with each season in the year. Robins pupils have used their fine motor skills to use a pipette to apply paint to their Autumn leaves pictures.

The pupils have also been learning about changes in temperature and have produced 'hot' and 'cold' artwork.

Middle School

Middle School are enthralled by their 'out of this world' topic. They have been counting aliens, reading about aliens and sorting aliens!

They have also ordered the planets and made an orbit around the sun!

Upper School

Upper School have continued cooking up a feast with a range of beans!

They have been learning about the countries different beans originate from and this week have learnt about Peru.

In PE the pupils have learnt about different balances and positions in Gymnastics.

Dates for the diary

Further information will follow for any event that is applicable for your child.

Monday 28th September
– Parent Reading Training
1.30pm

Friday 16th October –
Harvest Festival. Year 6
and new pupils only

Monday 26th October –
Half Term

Friday 6th November –
1pm Finish

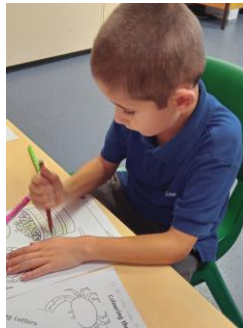

Friday 6th November –
School Photos
Please find attached our
Autumn term planner with
various dates for your
diary.

Many of our pupils today
had their flu vaccinations
in school. They were all
superstars and co-operated
well. Well done!

I hope that families are
escaping the winter bugs
that have already started
to circulate and have a
happy and healthy
weekend.

Warm Regards

Debbie Hartley
